

Limited Warranty: Self Contained Autonomous MicroProfiler (SCAMP)

1. PME warrants that the hardware and sensors, (not including the fast oxygen sensor), shall be free of defects in workmanship and materials, under normal use, for a period of 1 year from the date of shipment. This warranty is made only to the original purchaser. This warranty does not apply to expendable parts such as batteries and fuses nor to underwater connectors supplied by manufacturers other than the warrantor. Modification and servicing of the sensors and electronics is *not recommended*. If modifications are made to the instrument or sensors by persons other than the manufacturer, then the 1 year warranty is void.
2. PME MAKES NO WARRANTIES, EITHER EXPRESSED OR IMPLIED, THAT THE SOFTWARE WILL BE ERROR FREE, OR THAT IT WILL PERFORM ITS FUNCTION IN AN UNINTERRUPTED MANNER. PME MAKES NO WARRANTY WITH RESPECT TO THE MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR USE OF THE SOFTWARE. IN NO EVENT SHALL PME BE LIABLE FOR ANY DIRECT, INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES CAUSED, DIRECTLY OR INDIRECTLY, BY THE SOFTWARE.
3. Should PME make improvements to the software within a period of one (1) year following the date of delivery to the customer these improvements will be provided to the customer without charge.
4. PME MAKES NO WARRANTIES, EITHER EXPRESSED OR IMPLIED, THAT THE SENSORS WILL BE OPERABLE AFTER THEY ARE EXPOSED TO ADVERSE ENVIRONMENTAL CONDITIONS SUCH AS BIO-FOULING, OIL FOULING, OR OTHERS.
5. In the event an instrument covered by this warranty fails to operate according to our published specifications, PME will repair the instrument if it is returned with shipping prepaid within 1 year of purchase. If it is determined that the failure occurred through other than normal use, repairs will be billed at a nominal rate. In such cases, an estimate will be submitted for approval before repair work is started.

6. The cost of shipping the instrument for repairs will be paid by the purchaser. No COD shipment will be accepted by the warrantor. Returned instruments shall be shipped in the original shipping container and packing material. PME accepts no responsibility for damage in returning shipments.
